An Institute level orientation is also often organized for these purposes. Attendance and participation in the orientation programme is mandatory for TAs. Absence from the same will make the TAs liable for a financial penalty in the scholarship / financial support. All academic units / instructors of Institute core courses are expected to organize the orientation in a format that they find appropriate to enable the best use of the services of the TAs.
2.	Registration for second half-semester courses should also be completed at the beginning of the semester.
3.	The presentation and submission of grade for the credit seminar must be completed by the last date of grade submission as per the academic calendar.
4.	Saturdays are included in both Mid-semester and End-semester dates.
5.	NPTEL/ SWAYAM courses (if opted for) to be registered during the registration window and to be graded during online grade submission window.
6.	Academic units may register students for semester exchange courses as and when student returns from foreign institutes.
7.	The classes missed due to public holidays may be compensated on Saturday/ Sunday with intimation to Dean (AP), subject to availability of classroom.

For evaluations of Masters' / Dual Degree Dissertations, the evaluation schedule in a given academic unit may be spread over a large enough segment with the permissible time-window to allow possibilities of adjustment of evaluation date(s) and prevent overloading the faculty members with too many evaluations on a single day.
